Basic Portuguese language course 12 MP3 Songs SPOKEN WORD: Audiobook, SPOKEN WORD: Instructional Details: Cristiano Nogueira and Jerry Nardini get together to teach you the very basic Portuguese vocabulary you'll need for your trip to Brazil. Using the new "Noun" language teaching method, they'll only explain common place nouns, like "fork", "bill", "toilet", as opposed to full sentences, grammar or conjugation. You'll be able to communicate with portuguese speakers in each situation you'll find yourself in, simply pronouncing the noun you need, added with basic facial and body gestures. All in all, this Portuguese course teaches 100 nouns and 10 basic phrases ("How much?"), making it easy to remember by simply listening to it twice.
