

# Mp3 Frankie Lafayette - From Trail To Highway

[DOWNLOAD HERE](#)

A blend of rockin' country, country blues and country swing... 12 MP3 Songs COUNTRY: Country Blues, COUNTRY: Country Rock Details: Born in Canada, raised in the east and mid-west, and now living in Oregon, Frankie Lafayette offers his latest effort for your listening and dancing pleasure. Featuring an all original line-up of songs, the album presents the listener with a variety of styles and emotions from up-tempo rock-a-billy romps, to slow country ballads, jazzy swing tunes, and country blues. Influenced by music from the 30's, 40's, and 50's, Frankie Lafayette puts in all together into one collection of good-feeling tunes sure to delight. Providing key performance cameos in this album are players well-known in the Pacific Northwest and beyond and include: Lily Wilde, Ellen Whyte, Tom Royer, Bruce Stimpson, Debbie Smith, Paul Hirschman, Los Cowtones, The Lansings, Bobby Caputo, Alison Rice, Elise Hamilton, and Bob Baker. Three of the songs on this album are found in the soundtrack to the independent film "The Rogues", currently touring the US on the indie film circuit. For more info on "The Rogues" go to [roguesfilms.net](http://roguesfilms.net).
