Intimate acoustic life affirming music. 12 MP3 Songs in this album (35:29) ! Related styles: FOLK: Modern Folk, FOLK: Fingerstyle People who are interested in Gordon Lightfoot Cat Stevens Jimmy Buffett should consider this download. Details: Bio: I have played and sang off and on since 1968 in a variety of duets and one garage band in high school. When I was growing up my dad would always listen to KAYO country western music, I hated it. I never thought that I'd be playing country when I got older. I still consider myself a folk singer, just with a bit of a twang sometimes. I have recently started writing songs. Mary Chapin Carpenter is my favorite singer songwriter. People say I sound like Gordon Lightfoot, Cat Stevens, Jimmy Buffett or John Prine. Depends on who you ask. Other song writers I like are John Prine, Beth Nielson Chapman, and Richard Shindell, Cheryl Wheeler, and others. I like the melodic song written with love about someones life or a comment on life to uplift the soul.
