[DOWNLOAD HERE](#)

Its Rock --- Modern, Southern, Classic, Acoustic, and Funky Rock. They all write, and they all sing, giving their sound an eclectic mix of influence that offers the listener a passionate blend of talent and creativity.

11 MP3 Songs ROCK: Modern Rock, ROCK: Funk Rock Details: Half Strung's sound and style is an eclectic form of Rock. Their original work varies in style and performance from song to song while covering a wide taste of sounds that all contain a certain deep groove that Half Strung has created. They're a funky, southern band from Knoxville, Tennessee. Half Strung has many strong assets to lead them to success. The boys have a unique sound. They all sing so they can create different moods and feelings through each voice. Its hard to compare them to one single band because there are so many different influences showing through each song. They are a young, diverse group, which will only work to their advantage. The image that Half Strung has created is that of an original, talented group of musicians that wants to share their thoughts and music with the world. Their image is that of a group of good-hearted guys that grew up together. Half Strung is a very fan-oriented band. They want to know what their fans think about their music, and they like suggestions from them as well. Half Strung's success can only be measured by the guys themselves.
