soft rock, melodic, features 5 different male vocalist, all songs written by Hank Easton. Great musicians, excellent production. Songs range in style from Stevie Wonder to James Taylor to Lionel Ritchie. 12 MP3 Songs EASY LISTENING: Soft Rock, EASY LISTENING: Love Songs Details: Originally from New York, Hank began playing guitar at age five. He studied at The Cleveland Institute of Music from early childhood until age 17. After graduating from The Ohio State University in 1985, he moved to San Diego. Easton's artistic fluency and versatility as a guitarist immediately established him as an in-demand performer, sideman and studio musician on the Southern California circuit. In addition to his own band, "The Hank Easton Group", Hank is currently the featured lead guitarist in "The Steely Damned", an incredible Steely Dan tribute band. Check out Easton's website at [hankeastonfor](http://hankeastonfor) more information. This album features Easton's outstanding vocal productions. The songs feature 5 different unique and inspiring male vocalists. Including the late Warren Wiebe and some of San Diegos finest vocalists: Leonard Tucker, Keni Yarbro, John Toomey, and Tony Davis. The compositions are in the soft rock/pop genre and feature many excellent instrumental solos. The CD is wonderfully produced and all songs were written, arranged, and produced by Easton.
