Frontline is a showcase of seventies rootz reggae with a touch of the latest trends in modern music. 13 MP3 Songs WORLD: Reggae, WORLD: Island Details: At Last! At Last! A CD "Inner Visions" is really proud to present to the world. After twenty-five plus years on the tiny little Northeastern Caribben Island of St. John in the US Virgin Islands, "Inner Visions" has started to make waves stateside as well as globally. This could be attributed to the fact that the band now tours extensively or it could just be that the global community now buy their music regularly. Whatever the case, "Inner Visions" is on the move. "Frontline" showcases their diverse talent and their flair for quality sound and recordings. Get your hands wrapped around this latest piece of work and be amazed! Quality "ROOTS REGGAE" is not dead! Look around you and you see it springing back in little pockets. "Inner Visions" never stopped playing it and now that the Reggae revolution is back, "Inner Visions" is more than ready to step to the front of the pack and take the lead. Buy this and be "InnerGised" like you haven't been in awhile! As a matter of fact if you don't like it send me an email at info@innervisionsreggaeand let's talk about it! (smile)
