Warmly expounding on a sound of its own, rock, funk, Texas country, and jazz influences are all found in the band's original compositions. 11 MP3 Songs ROCK: Americana, ROCK: Jam-band Details: "Come on and take a ride with Mellowship. This young five-piece will take you on an interesting journey through a richly melodic topography of rock, funk, bluegrass and more. Formed as a trio six years ago, the group has gradually developed into an enticing outfit that manages to blend mellow and muscular sounds. There's an undeniably upbeat and feel-good vibe to its sound, which the band says is meant to celebrate life. Bright and breezy songs and rolling melodies are intrinsic elements but there's also some tasty instrumental embellishments. Especially nice are the percolating rhythmic elements and the tasteful sax and guitar work." -Mick Skidmore Relix.com Mellowship has shared the stage with Macon Greyson, George McConnell (Widespread Panic), the Kudzu Kings, Juice, Moses Guest, David Nelson Band, Garaj Mahal, Larry, Mingo Fishtrap and Speedtrucker to name a few. The excitement that Mellowship generates for its audiences does not translate onto the written page, so go to mellowshipfor current concert dates or live audio clips. Mellowship offers exciting live performances for audiences of all kinds at bars, festivals, and private parties. Come join the fellowship of Mellowship!
