

# Mp3 Michael La Guardia - Swim Through The Blue Sky

[DOWNLOAD HERE](#)

Intimate, enveloping explorations of tone and texture; exotic instruments such as harp, dulcimer, Japanese koto and Irish whistle; driving hand percussion laced rhythms, and well crafted pop tunes - La Guardia's music never fails to please or intrigue. 11 MP3 Songs WORLD: World Fusion, FOLK: Folk Pop  
Details: I play what I like to hear, and I try to do it with as many instruments as I can get my hands on. I love the textures of sound, and especially the characters of individual instruments. On this album you will hear the results of my explorations and experiments. The album is split 7 / 4 between instrumentals and songs with lyrics, though on the later, I tend to use voice as just another instrument in the mix. Many of these tunes are of a more contemplative nature, soundscapes that evoke mood without (hopefully) devolving into the trite. Sometimes events call for a harsher view of the world, though....
