Acoustic Rock with all the harmonies you could ask for, reflecting influences ranging from Alice in Chains to Bach, from The Verve Pipe to Jethro Tull. 12 MP3 Songs ROCK: Acoustic, ROCK: Folk Rock Details: "Beautifully layered harmonies over intriguing acoustic guitars." Mike Grosshandler has crafted a collection of songs worthy of his influences, melding styles from a vast range of music including The Beatles, Nirvana, Alice in Chains, Smashing Pumpkins, Jethro Tull, The Verve Pipe, Led Zeppelin, J.S. Bach, and Type O Negative. Recorded and mixed by Mike entirely in his living room on his computer, Scales is a self-produced lo-fi acoustic masterpiece. As a bonus, included after 11 original tracks is Mike's rendition of the lovely Verve Pipe song, Veneer. Mike G. plays guitar and sings in the Albany, NY based rock band, The Velmas. He's recorded a solo acoustic CD in his spare time, and wants the world to hear it.
