JAZZ: Jazz Fusion, ROCK: Funk Rock Details: "Rooted in the funk, blessed with the jazz, free to explore space and the boundless jam, this band unleashes all the possibilities"- October Relix magazine. "Pat Daugherty unleashes all the possibilities of the Fender Rhodes. Together with drummer Aaron Comess and bassist Tim Givens they can explore everything from badass funk to walking blues and bebop." January Jazz Times. There's a lot of unleashing going on around NYEP . Here they combine with the full moon vibration to unleash 11 new Pat D. compositions that showcase the band's expanding palette. "Smart,high octane trio that knows how to get down to business and play with tradition while keeping an eye on the future, tasty work that hits hard, hits often." Midwest Record Recap. Desiring to capture their live sound NYEP has released a collection of tunes with no overdubs or corrections. The band recorded in Aaron's Catskills studio with the full moon peeking through the window. An occasional dancing bear was spotted grooving to the music.
