indie. synthmid60s80sguitarlatnnewwavepopreggaemuzkpolk 21 MP3 Songs POP: New Wave, POP: 80's Pop Details: san antonio resident, played trumpet early in middle school + high school; guitar in mass. graduated hhs- inspired by michael morales also holmes to record a record. started playing and recording synth, keyboard, guitar in 1983. recorded cd in 1999. currently working on selena like song. Genre: Electronic (Keyboard Variety) Hometown: San Antonio, Texas I'm a solo artist with a keyboard. started out playing keyboards, synth and guitar in the early 80's. If a song popped into my mind, I would try to emulate it on the keyboard or try to write a song around a single rhythm on the keyboard or synth. the keyboard is the band. my album is a collection of songs I've recorded on various keyboards from the years 1983-1999. Sounds Like early 60's guitar, early 80's new wave, peter gabriel- maybe, madonna chords, self Influenced By early 80's new wave, peter gabriel, madonna
