

# Mp3 Rosebud - Thundermug Honeypot

[DOWNLOAD HERE](#)

this wickedly captivating songbird will leave you pondering subversive thoughts and dreaming anarchic dreams. 12 MP3 Songs FOLK: Alternative Folk, FOLK: Progressive Folk Show all album songs:

Thundermug Honeypot Songs Details: Thundermug Honeypot is the amazing 1997 solo offering of Bug Guts's songbird/guitarist rosebud. A beautifully haunting and deeply humane record produced and engineered by Scott Ireland featuring Rue the Berserker, Bat Masterson, David J Carpenter, and the late great Spermie Wails. Re-released after ten years, the physical CD contains all the original Vinyl Communications packaging. Provocative artwork by Helen Wilson.
