In the last generation we have witnessed our people fight back against the many forces that have enslaved, and oppressed us for centuries. We are products of those struggles. We are products of the uncompromising spirit of rebellion. This makes us sons of rebellion. Freedom Reborn- Rebellion and Revolution are a people's attempt at change. The goal of rebellion and revolution is to obtain the opportunity to determine what will be and what will not be for a people. In other words, FREEDOM. This freedom has been denied to us for too long, it is our fight and struggle to bring freedom back into the world. It is time for a rebirth, and "those" in power cannot do this. Our task as sons and daughters of rebellion is

to give birth to freedom once again. Come on yall, let's get free. j-spliff and tyson =)
