Details: ...people are joining and releasing... meeting each other in the space of music SPACEWALK --- a band project, where everybody plays the own part, expressing united and growing feelings! This 5 Track CD is the first release of SPACEWALK in the year 1997! It was composed and produced by Marco Romano and Christine Ahlborn in Switzerland in 1996. With the participation of very talented Musicians: Benny - Drums and Dave - Bass. From a dirty bass line to an emotive soul vocal, Spacewalk demonstrate a nice line in catchy funk with a disciplenesque twist. Sun (Happy Birthday Chuck) goes to prove that these guys are not merely one trick ponies as they verge towards a poppier territory. Spacewalk have a really 'up' vibe and would definitely benefit from some top-notch production. This Record is the first step to a different always changing Music; depending of People (Musician), Country, Culture, Continent, Moon, Seasons and State of Mind and Heart in that specific creative moment of each participating person. Spacewalk evolved on the road to Scotland / Glasgow to a harder rock style.... You can follow the story on the 2.Spacewalk Album "Salmon Crackhead" Since the year 2002 SPACEWALK is developping the anthropolgical Worldmusic project "Transculturation" , which can be heard in the following productions on the road to Westafrica "Malibalebow" and "United Spacewalk Arrows". In 2008 SPACEWALK will be releasing The 5. Album "Evolutionroad". Different Artists from CUBA, MALI, BURKINA FASO and EUROPE coming together on this Album to give some results and explanations to the "Transculturation-Process" in the world society through the universal language: "Music" Transculturation

or crosscultural developping is a phenomenum which is happening now and is influencing everybody on the whole planet and which will evolving in the future with a enhancing velocity: People, Cultures, Traditions will come and melt together...it can be good or bad. It only depends on ourself and unfortunately also by the world-leaders...are they able to give the right directions...new adapted goals. Are they able to stop this old economical system (which doesn't work anymore) and create a new one. Are we able to share and love???? SPACEWALK IS TRYING TO GIVE A SMALL PART "ONE LOVE"
