

Mp3 The Bill Hart Project - Watch The Sky

[DOWNLOAD HERE](#)

Between smooth jazz and fusion you'll find The Bill Hart Project, dynamite melodic guitar-based jazz that features great players showcasing their skills without resorting to self-indulgence-it's all about the music.

8 MP3 Songs JAZZ: Smooth Jazz, JAZZ: Jazz Fusion Details: Check out Bill's NEW CD-"Think About It," with special guest Mike Stern! cdbaby.com/billhartproject2 The author of SOLO JAZZ GUITAR in the Hal Leonard series, Bill Hart is also the head of the Guitar Department at the Atlanta Institute for Music. Bill's rich, warm tone meshes perfectly with his killer chops to create a playing style that celebrates the guitar without the histrionics that can bog down so many guitar-based CDs. Also on WATCH THE SKY, you'll find incredible sax work from Atlanta session master Sam Skelton. Here's a look at some of Bill's accomplishments to date:
