Eclectic blend of country flavored roots rock. 9 MP3 Songs COUNTRY: Country Rock, FOLK: Folk Pop  
Details: Eclectic blend of country flavored roots rock. Reviews have mentioned The Bodeans, The Subdudes and Son Volt. The songs themes include the Civil War, necktie parties, 18 wheelers and a surf instrumental perfect for a James Bond soundtrack. All four of 'em play well, sing well and write well. These guys have a great time playing together and you can really hear it!
