Celtic influenced folk rock/pop with a mixed quality of folk rock, Americana and traditional tunes. 11 MP3 Songs FOLK: Folk Pop, FOLK: Modern Folk Details: From the rough and rocky shores of Georgian Bay comes an amazingly innovative and energetic band. Packed to the gunnels with shattered traditions THE SHARDS offer up a musical mosaic with attitude. This is a new world band that isn't afraid to combine their Guinness with a good curry. Their swaggering blend of cheeky rhythms, stunning vocals and rippin' fiddle fire creates a delightfully impertinent Funkin' Celtic Kaleidoscope.
