There is so much that passes us by if we do not pause and reflect on what is happening in our lives. The tarot cards were initially a book of wisdom in ancient times that revealed the many aspects of our human behavior and lead to an understanding of having a life of well-being. I have over 30 years experience working with the tarot symbols. When I first studied graphic design (B.A. in Design), my interest in images and symbols lead me to studying the many symbols and meanings of the cards. A SOUL WALK, TAROT AN EXPRESSION OF YOUR SOUL written and narrated by Twainhart Hill. This NEW SPOKEN WORD CD gives a concise meaning of each of the 22 Major tarot cards, each with a guitar interlude and poetical interpretation. Each card and track represents aspects of the total range of our human nature and allows you to reflect upon your life and your own attitudes and behaviors. The tarot is a tool for self-reflection and helps you understand how your choices impact your life. No prior study of the tarot is necessary. This is a good EXPERIENTIAL CD for meditation, relaxation, study, and some thought-provoking listening. Tarot students, teachers and readers will find it an enhancement to their work. Using the Thoth Deck, you are guided down a pathway to meet each card as a teacher. Listen for the learning that may be relevant for you. "The learning that never ends." Guitar music arranged and played by singer/songwriter Gail Steiger. Music copyrighted by Gail Steiger. CD Cover painting copyrighted by John McCormick.
