Show all album songs: Myrtle Beach Originals (Vol. 1) Songs Details: "Myrtle Beach Originals" is a collection of some of the up and coming singer/songwriters in the Myrtle Beach area. It highlights the local musicians that are working towards building a strong original music base. The styles range from acoustic folk, to pop, and also rhythm driven jam-band sounds. The artists on this album have various backgrounds in music. Bret Hush's musical style stems from there rhythm heavy live shows, which comes across in a unique way during their studio sessions. DC is a songwriting genius who also has the musical skills and background to pull off many different styles of music. Marcus Klein is a California bound entertainer with a strong distinctive voice. The Bruhs are a semi-underground band that has taken the experience from playing live performances with Bret Hush and turned it into a powerful production sound. This is the 1st Class of the "Myrtle Beach Originals". But not the last!!
