Comes with Master Resell Rights, and three UNANNOUNCED BONUSES! Here's What It's All About! All the ways you can overcome the hidden reasons why you are not making as much money online as you want are carefully explained in my new video course called "Rapid Success Blast". It's presented in plain and straight forward language, is easy to understand, and can lead you step by step to take control of your financial future. Video #1 The truth is that I was raised to go to school, get a degree and then slave away making money for other people. This type of thinking locks us in middle income and I show you

exactly: \* How to overcome the hidden barriers in your subconscious that are keeping you poor! \* Break through the middle income mindset and experience success online \* How to hidden fears that prevents you from making money online \* How to use free traffic methods can be your secret to creating your own income \* The secrets to controlling the most powerful element that controls your life - your subconscious mind. \* Why working a day job is something that a society teaches you to do and how to start earning a living by doing what you love \* Why saving instead of investing actually makes you go broke \* How to have the courage to give your dream a try \* Why you won't have to work any harder to make as much money as you want And more! Video #2 I will show you the three most important things to consider when your thinking about creating your own income. This shows you how to make two to three times what you make doing what your already doing! Here's what you'll discover when you watch this video: \* Hidden in plain sight secrets to leverage what you already do to almost instantly double or triple your income overnight \* The real "no secret" secret to success \* One thing that didn't stop Bill Gates or Steve Jobs and how it is probably stopping you \* Exactly how to stop getting distraction and experience quicker results \* Why investing in fancy high end courses may not be right for you And more! Video #3 I am talking about things like getting a professional intro video created for 5 bucks or get a PHP website/blog designed for 10 bucks or so! In this video you'll discover: \* How trying to accomplish everything on your own will almost always guarantee failure \* How to get things done in your business cheaply (get things done in your business for \$5 that you would have never have dreamed possible) \* Why you can save time and money and how you might be spreading yourself too thin trying to be the jack of all trades And more! Video #4 Ignore the inferiority complex! Waitwhat? It basically comes from the idea that we sometimes think we will look foolish if we try to do something new in an already established niche or market or we might look stupid trying something new. I always used to think how foolish I might look when I tried something new and what would people think about it. However this mindset stopped me from success and I want to show you how this might be stopping you. In this video you'll find out how to: \* Overcome embarrassment and fears of failure \* How some "Seemingly Stupid" and bold money making ideas can earn you money And more! Video #5 Have you noticed how experts always get paid more? Well here is how you get paid more. The truth is a specialist will always get paid more even for when they do less! See why most people stop themselves from big paychecks in this video. Here is what you'll also discover in this video: \* Why you might be wasting your time cloning marketing gurus and how it will only lead to disaster \* How to see

opportunities in difficulties and the one thing that might be holding you back \* How to get paid to be unique and be yourself And more! Video #6 When I started out online I jumped from one opportunity to the next like a chicken with its head cut off. Maybe you can identify with information overload. It was only when I found one that that worked and ran with it that I started to make a full time income and I want to show you exactly how to do the same. By watching this video you will discover: \* Discover why fear of commitment could be making you repeat the same mistake again and again \* The solution to the 'Buying Product After Product Syndrome' that only wastes your time and money \* Why - even if you feel busy and are taking action - you are not making money And more! Video #7 I used to think things like "I could go make a new website but instead I think I'll just watch some TV and do it tomorrow." Then I came to the realization that I was just putting everything on the back burner and even though I have good intentions I ended up putting off what I could do to make money. Luckily I figured out a simple process to get things done even when you don't feel like it and I reveal my simple process in this video. When you watch this video you will discover: \* The 3 steps process to overcome procrastination for good \* The secret to start taking control of your business (and your life) to start enjoying success And more! Video #8 Here's a problem that's so common I've given it a section of this training all to its own. We have been "programmed" to believe that rich people are selfish, braggarts, they got their money illegally, and other negative characteristics. Now, you may assume that since you want to be rich, there's no way you'd have a negative mindset about being rich, right? Yet this mindset strikes down entrepreneurs time after time. And the reason is because they can't shut off a lifetime's worth of programming. Inside this video you will discover: \* How to overcome deep down ideas that might make you cling to scarcity and poverty thinking \* Secret barriers you've had hammered into your head that might be stopping you from becoming wealthy And more! Video #9 The marketing gurus (and most regular people) don't really tell you how money works and how it can easily be attracted to you. The fact is that there is more money on the planet than ever before and when you discover how to think like a money magnet you will naturally find yourself having more money Most of us were taught to feel guilty about having money and this video shows you how that mindset is actually programming you to be poor. The secrets of the mental game of money are revealed by watching this video. You'll also discover: \* Practical advice to attract wealth \* Two simple tools to attract abundance \* How a dream board can help you achieve your goals \* How to give yourself a regular dose of motivation and keep that fire burning in your belly And more! Video #10 Have you ever

noticed that sometimes trying to make money just seems like way too much work? It can be overwhelming to create your business and this video shows you how to overcome the initial roadblocks most people face. Honestly, haven't we all put things off at one point or another? Things that we know we should do to make our lives better. When you create that fire in your belly you can easily find the motivation to get things done. Inside this video you will discover: \* Discover the secret to using enthusiasm and the feeling of accomplishment to accomplish your biggest goals \* Easy ways to motivate yourself and commit to your goals \* How "nay-sayers" could actually talk you out of your goals \* How using an accountability partner forces you to feel good by doing work And more!
