yourdomain.com/recommends/paydotcom yourdomain.com/recommends/4minutemoney

yourdomain.com/recommends/buynw Sounds too good to be true? Well, it isn't if you have the right

HTML, PHP or Javascript knowledge. It could take you many days and weeks and can even cost you a small fortune to figure out just the right combinations to create them - while others fall flat on their face.

But instead of knocking yourself out trying to come up with those professional looking redirection links, you can now have an awesome redirection creating soldier, ready at your beck and call. Introducing:-

"Redirection Rocket 2.0" The "Redirection Rocket" software is so easy to use, even a 3 year old could set it up in less than 10 minutes, and start creating these awesome links Let me show you how easy it is to

use this software once its installed: Now think about it. If you don't possess the HTML, PHP or Javascript knowledge necessary to manually hand code your redirection pages yourself, it may take you many days

before you can finally experience the benefits of professional redirection links like these. (Of course, depending on your present level of skills and knowledge) Why spend the next few days and weeks trying

to figure out all of the steps and codes it takes to create redirection pages by hand -- when you can point-and-click your way to professional redirects in less than 10 seconds each with "Redirection

Rocket"? With "Redirection Rocket" you can finally look like a professional marketer and track your affiliate link click thru directly from your password protected admin control panel! Not only is Redirection

Rocket 2.0 Easy To Install It Also Comes Packed With Powerful New Features New Feature #1: The list building mechanism Using Redirection Rocket 2.0 you can attach a flyover optin code from getresponse

or aweber to any campaign, and when someone goes to the link you are referring them to your popover shows on the other persons page! AND the cookies for tracking are STILL set. This is a powerful

listbuilding tool. New Feature #2: Notes & More Now in Redirection Rocket 2.0 you can attach a detailed note containing: your email body content, your affiliate page login and password as well as location,

anything you want. This addition makes it easier to find the winning combination of professional redirection link and email body or content.
