

The A To Z Of Kant And Kantianism - , Vilem Mudroch

[DOWNLOAD HERE](#)

The A to Z of Kant and Kantianism provides a comprehensive dictionary that will aid not only students but also teachers and the general public, since it contains hundreds of entries describing Kant's life and works and explaining his concepts as well as the contributions of his followers (and also some opponents). Furthermore, much of the writings of the Neokantians, as well as the literature dealing with this movement, are not available in English, thus, this book provides an introduction to this phenomenon to the English-language reader.
