

The Dash - Mac Anderson

When your life is over, everything you did will be represented by a single dash between two dates-what will that dash mean for the people you have known and loved?Â As Joseph Epstein once said, "We do not choose to be born. We do not choose our parents, or the country of our birth. We do not, most of us, choose to die. . . . But within this realm of choicelessness, we do choose how we live." And that is what The Dash is all about.Â Beginning with an inspiring poem by Linda Ellis titled "The Dash," renowned author Mac Anderson then applies his own signature commentary on how the poem motivates us to make certain choices in our lives-choices to ignore the calls of selfishness and instead reach out to others, using our God-given abilities to brighten their days and lighten their loads.Â After all, at the end of life, how we will be remembered-whether our dash represents a full, joyous life of seeking God's glory, or merely the space between birth and death-will be entirely up to the people we've left behind, the lives we've changed.Author: Anderson, Mac Publisher: Thomas Nelson Illustration: N Language: ENG Title: The Dash: Making a Difference with Your Life from Beginning to End Pages: 00096 (Encrypted EPUB) / 00096 (Encrypted PDF) On Sale: 2012-04-17 SKU-13/ISBN: 9781400319985 Category: Religion : Inspirational Category: Religion : Christian Life - Inspirational
