

When Women Were Warriors Book I - Catherine M. Wilson

[DOWNLOAD HERE](#)

Set in the British Isles during the Bronze Age, a time when matrilineal societies predominated and female warriors were not uncommon, *When Women Were Warriors* tells the story of Tamras, a young woman of the warrior class who leaves home to be fostered in Merin's house, a fortress guarding the northern border of a rich agricultural valley. In Book I of the trilogy, Tamras, our hero, arrives in Merin's house to begin her apprenticeship as a warrior, but her small stature causes many, including Tamras herself, to doubt that she will ever become a competent swordswoman. To make matters worse, the Lady Merin assigns her the position of companion, little more than a personal servant, to a woman who came to Merin's house, seemingly out of nowhere, the previous winter, and this stranger wants nothing to do with Tamras. Tamras's journey begins with the smallest of steps. She sets aside her disappointment and performs as well as she can the humble tasks given her, and eventually she succeeds in winning the trust and then the friendship of the cantankerous warrior to whom she has been assigned. In the first year of her journey, Tamras will make a series of choices that often seem insignificant, but they will flow from her character and from her good intentions, and they will determine her destiny. Author: Wilson, Catherine M.
