Book Three in the Awakening Desires series. Carly Ames has yearned for Nathan Connors for more years than she cares to think about. One wild night of sex with him resulted in their quick engagement. But now that she has Nathan, she's not quite sure that she can handle him. Big and tough, Nathan is very well suited to his job as a sheriff's deputy. Protective and forthright, he is definitely used to being in charge. Now he wants to be in control of her sexual pleasure, but fears his sexual preferences will scare a good girl like her. As circumstances conspire to keep them apart, Nathan senses that Carly is having second thoughts. Now he must convince her that she's more than woman enough to meet his demands, in and out of the bedroom, because now that he's captured Carly, there is no way he is letting her go.
