An indispensable volume that shows how to succeed in business by using the Bible and its lessons as a source of inspiration and guidance. In 1990, David L. Steward founded his company, Worldwide Technology, Inc., on a shoestring budget and borrowed money, well aware of the high-risk nature of the venture he was undertaking. Despite the fact that he was a novice entrepreneur, he was certain he would succeed. Steward believed intensely that God wouldn't let him down. *Doing Business by the Good Book* shares the inspiring lessons culled straight from the Bible, that Steward used to build his privately held billion-dollar company into a global information technology enterprise.
