

# Little Men: Life At Plumfield With Jo's Boys - Louisa May Alcott

[DOWNLOAD HERE](#)

Little Men, or Life at Plumfield with Jo's Boys is a novel by American author Louisa May Alcott, first published in 1871. Little Men tells the story of Jo Bhaer and the children at Plumfield Estate School. The novel has been adapted to a film and a 1997 television series. Little Men follows the life of Jo Bhaer and the students who live and learn at the Plumfield Estate School that she runs with her husband, Professor Bhaer. The mischievous children, whom she loves and cares for as her own, learn valuable lessons as they become proper gentlemen and ladies. We also get cameo appearances of almost all the characters found in the previous books, almost all of them happy and well. Meg's older two children, Demi and Daisy, also attend the school and so do Mr. Bhaer's German nephews Franz and Emil. The story begins with the arrival of Nathaniel "Nat" Blake, a shy young orphan with a talent for playing the violin and a penchant for telling fibs. Through his eyes we are introduced to the majority of the characters, from the Bhaers' children to other classmates. We follow Nat's life from April through Thanksgiving, meeting new students and playing games and having adventures throughout. Each student has his or her own struggles: Nat

lies; Demi, although adored by his mother and sister, is so naïf that he finds it hard to live in the real world, but swears that he will be like 'parpar' after John Brooke (Meg's husband) dies; Emil has a bad temper; Dan is rebellious and rude; Tommy is careless (and once sets the house afire); Annie alias Nan is too tomboyish; Daisy is too prim and even weak-willed etc. They all learn to cope with their faults as they grow into young men and women.
