Eclectic blend of lounge and hard rock, soothing verse melodies offset by thick textured and catchy choruses. 5 MP3 Songs ROCK: Modern Rock, ROCK: Progressive Rock Details: Alternate Sound of Life is a heavy/alt rock 5-piece from Huntington Beach, California. With influences ranging from A Perfect Circle to Sade, they have been able to create a sound all their own. Having all members descending upon the band from diverse backgrounds, they pride themselves on being an original voice in the medium of rock music. Alternate Sound of Life have created an impact on their local scene and have begun forming a loyal following. With their frenetic live shows, ASL has stepped on to the stages of: The House of Blues, The Coach House, The Hard Rock Cafe, The Troubadour, B.B. Kings, The Queen Mary and many other local Orange County and Los Angeles venues. Their steadfast determination to reach out to open ears and their ever improving ability to write concise, melodic rock songs will one day be noticed by the masses. With an impending self-produced full-length release and planned upcoming tour, Alternate Sound of Life asks you to look beyond all preconceptions of what modern rock music is supposed to be, and to listen and experience their offerings with an open mind.
