Solo Steel String Syncopated Fingerpicking guitar: this style has been described as "American Primitive Guitar", and draws heavily from early Americana Folk/Blues/Roots music. 20 MP3 Songs FOLK: Traditional Folk, COUNTRY: Country Blues Details: Andrew Stranglen - Fingerstyle Guitar DEEP WOOD On this cd, Andrew combines two earlier releases, "Oak Cake", and "The Deep Wood Variations", plus 3 extra bonus tracks onto one cd for nearly 80 minutes of heavy guitar meditation and introspection. He follows closely a goal set by John Fahey: the Solo Steel String Guitar as Orchestral instrument. Using various open tunings and robust picking styles, Andrew takes the listener on an excursion deep in the woods, into 12-String guitar territory. If you like 12-String Guitar, if you like open tunings, if you like experimental tunings, if you like syncopated fingerpicking, and if you enjoy improvisation, chances are you will love this album.
