Funky soul blues 12 MP3 Songs BLUES: Funky Blues, URBAN/R&B: Rhythm Blues Details: For more than 38 years Bobby has entertained audiences all over the world. As a member of the U.S. Army USO Show, he traveled for more than 20 years providing polished professional entertainment for a broad range of audiences. In 1970 he was selected to entertain the troops in the Far East - including Viet Nam. After touring the Far East, he toured Europe where he worked with some of the top entertainers - such as The O-Jays, Bobby Womack and the Valentinos, The Manhattans and the Impressions. He also performed as opening act for numerous name entertainers - including James Brown, Otis Redding, Larry Williams, The Drifters, Fats Domino, Bobby Blue Bland and many other top acts. He entirely gave up music for almost ten years after retiring from the military. During this time he wrote some of his best works (yet to be heard). In 1991 he returned to performing and recording. He was not quite fifty and seemed to be at the beginning of a strong comeback. This CD is the result of that comeback. (Ten of the twelve songs on this CD were written by Bobby.)
