Christine L. Easterling opens her wings and mouth in song to heaven. Clouds applaud with a welcome rain of blessings. Get soaked. 14 MP3 Songs GOSPEL: Contemporary Gospel, GOSPEL: Traditional Gospel Details: CHRISTINE L. EASTERLING is a New Jersey native, with Caribbean roots, who grew up in the church. Like many children of God she was tested. Her young years were wild and full of undisciplined fire. That flame consumed her soul and placed her at the gates of hell. Instead of succumbing to brimstone, she called out to the Lord for a lifeboat. She grasped up and touched a new beginning. Her life was changed. Signs of the Times Ministries presents the premier release of this gifted gospel vocalist and prophetic psalmist first CD, A NEW BEGINNING. This release reflects Christine's testimony about her struggles in life and how the Lord helped her to overcome those obstacles. This is the message she shares track after track, while reminding listeners. You can thrive through any adversity. In A NEW BEGINNING, Christine sings praises in this 14-track production, which was composed by Christine and other gifted lyrists such as: Lorenzo Cresibene, A.E. Henry, Shekinah Miller, Jason Alvarez, John T. Miller, Dennis Hilliman and Preston Fulwood. Although new to the gospel music community, Christine has sung nationally and internationally. She went where the Lord sent her, such as: Trinidad Tobago West Indies, California, Florida, Texas, Illinois, the Carolinas, and now in Tennessee. She's planning an international tour of her work Nigeria, England, and the Caribbean basin. In concerts, she's shared stages with well known artists such as: Tramaine Hawkins, Beverly Crawford, Natalie Wilson (from S.O.P. Choral), Kenny Bobein, Helen Baylor, Steve Green and others. Christine's energy works the stage as she opens her wings and lifts up any soul. Her eyes are on heaven as she sings. Media features include: Internet, newspapers, T.V., and radio about her talent. Already these sources foresee a successful and blessed future with Christine giving back to communities with her voice. Each time so

impressed with her artistry something was mentioned. The recipient of many awards, accolades and recognitions, Christine enjoys staged events. Some events, which made her especially proud, were her performance for the East Orange New Jersey Mayor and the New Jersey Chamber of Commerce of Essex County. This citywide event brought much exposure and contacts. In 1997, from hundreds of contestants, Christine won 1st prize in a musical competition, sponsored by TEAM Summit Outreach, where she sang Maria Carey's song Hero. TEAM supports the furthering of education for urban youths. Also, in Chicago, Illinois, she performed at the International Urban Music Conference along with Tonex, Londa Larmond, Euclid and many others. The spotlight shines on her in other areas as well. Christine reaches back to her neighborhood roots to help others. As an outreach minister, in 1992, she founded W.I.P.P. (Women In Prevailing Prayer), which conveys two times a month praying for the needs of nations, churches, leaders and families. In 1994, she launched an outreach program to feed and cloth people trapped in poverty. She knew God's children must be fed in more than one way. This program was called CHOSEN Outreach Ministries and became transformed into SIGNS OF THE TIME WORLD OUTREACH MINISTRIES. These are ways shes already giving back to communities. As a recording artist, writer, composer and vocal arranger, she combines these qualities with a desire to testify. Since 15 years old, she has known the Lord and praises Him as a vocalist. "Music can usher one into the presence of God," says Christine. Join her in a musical testimony of hope and redemption as she gives you A NEW BEGINNING. Henry L. Jones
