Acoustic Rock Fury 10 MP3 Songs ROCK: Folk Rock, ROCK: Classic Rock Details: easy tiger is the acoustic duo of Russell Baylin and Dan Wean. Having played together in various bands for years, they have developed a powerful chemistry. After the dissolution of the full band version of Easy Tiger (found on their debut record Lonely in My Members Only), Russell and Dan felt that they needed to explore their work as an acoustic act. With a simplified lineup, Russell's poetic lyrics and soulful melodies, matched in intensity and imagination in Dan's advanced and boundary-pushing composition and guitar playing, they are redefining and revolutionizing Rock music.
