His father, COSMO, is a renowned Reggae artist whose albums are sold world-wide, and who was his initial inspiration to create music. Etan loves all different styles of music, which is why so many different genres are intertwined in his own. His content is clearly Hip-Hop -- political, energetic, emotional, poetic and energetic -- but live guitars and the occasional Reggae beat can be found in it as well. All of his music is well spoken of from those who know him, and only continues to improve every passing week. Etan claims to be a man of the people, and you can decide for yourself by purchasing his albums and listening to the content of his lyrics.
