Hear why music reviewers are saying that Even Zero is the best new psychedelic rock band. Fans of The Bravery, Nine Inch Nails, The Killers, Depeche Mode, Interpol and Underworld will enjoy. 15 MP3 Songs  
ROCK: Psychedelic, ELECTRONIC: Dance Details: This could arguably be the psychedelic rock album of the year!!! It's so original unlike anything you've ever heard before. Even Zero's first album titled "Shout It Out" is a brilliant mix of psychedelic rock and dance electronica. It's very exciting with sizzling guitar, dreamy keyboards, catchy beats and Steven's distinct voice. The album contains 3 songs that recently made Broadjam's Top 10 Rock list "I'm Easy Try Me Out", "Times Up For You" and "I'm Calling You". The album is so original that you will want to play it over and over again!!! Steven plays electric/acoustic guitars, piano, organ, synthesizers, bass, drums, percussion, lead and background vocals. Fans of The Bravery, The Killers, Depeche Mode, Nine Inch Nails, Underworld and Interpol will enjoy Even Zero. All of the songs were written, produced and engineered by Steven Campeggi. None of the songs contain profanity or graphic language. Play it loud!!!!!! and have fun!!!!!!
