FULL REVIEW of BUBBLEBEE: SONGS FOR THE YOUNG AT HEART, SCHOOL LIBRARY JOURNAL PreS-Gr3- This collection of 18 original songs is an interesting tribute to the cabaret background of two of the CDs creators, Gloria and Richard Rinderman. Backed only by piano on all but two of the songs, the lyrics are clear and easy to understand. Fun, rollicking songs such as Waddlin in the Water, Animals Have All the Luck, and The Land of the Extremely Silly, are contrasted with gentler tunes such as Im Your Little Sister, and I Used to Be an Only Child, as well as the synthesizer-driven raps Ill Call You if I Need a Big Mess and See Absurdities. Singer Gennaro lends stage quality vocals to many of the songs, overshadowing the female vocals on the duets. The second half of the CD features music only instrumentals for all of the songs. This compilation is a pleasure to listen to and would be welcome in

family settings. A solid addition to any collection-Veronica Schwartz, Des Plaines Public Library, IL
