

Mp3 God Farted? - Patches Mcbeardying Sings The Blues

[DOWNLOAD HERE](#)

Sounds like a scary movie playing in a mental hospital. It's pretty good. 6 MP3 Songs in this album (27:24) ! Related styles: FOLK: Drinking Songs, FOLK: Alternative Folk People who are interested in Tenacious D Stephen Lynch Flight of the Conchords should consider this download. Details: One magical night, there came a splendid culmination of three of the most amazingly talented and remarkably good-looking musical genius's's the gods have had the pleasure of looking down upon. And they were called: God Farted? The immaculate tripod of glee got super hammered one magical evening, and the three musical guru's came together to form the most fantastic work of aural genius the universe will ever experience. The Opus, humbly named "You Can't Fuck A Rock," set in motion gears that can only be halted by the end of time. Be wary of the sounds you shall hear when listening. They very well may change your life, and those around you, forever...
