Melodic funk/rock with a grungy feel. Like a cross between Pearl Jam and the Red Hot Chilli Peppers with an REM style feel for singalong songs and lyrics about pain and heartache. 12 MP3 Songs ROCK: Grunge, ROCK: Modern Rock Details: GRIEF SOCIETY's second album "Universal Misunderstanding" continues the funk/rock journey that the band began on it's 1997 debut album "How We Used To Live". The band have been described as "like a British Pearl Jam" and a whole host of other things besides... "Funk, Blues, jazz, Hip-hop, they all seem to have a contribution to make to this album." (Shane Jackson, CD Baby, reviewing GRIEF SOCIETY) "Definitely cool songs. Easygoing but with enough of an occasional bite to keep you on your toes. Some fine guitar work in there, stuff which works equally well in the slower and more uptempo pieces." (Jon Worley, Aiding Abetting)
