From The Streets Of MID WEST Gangsta Hip Hop The Next Level Of The Game 20 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: West Coast Rap Details: Make sure you get my new cd Hood Boss also on cdbabyfor sell this month Get Digital Dist here also HOBOLAVIRUS partII out OCT 2006 Hobo Tone Over the past 15 years Anthony Smith (a.k.a.) Hobo Tone has been hard at work producing and rapping for audiences and artists throughout the Midwest. He has collaborated with artists such as Lil' Flip, Spice 1, and Techn9ne and he's opened for Ludacris, Lil' Flip, Mya, Mystical, Eightball, Techn9ne, the late Biggie Smalls and KRS one to name a few. However, after touring with Techn9ne on the "Absolute Power Tour," Hobo gained an even larger fan base and had an opportunity to deliver his message to thousands of fans throughout the country. Hobo is currently in the studio working on his next CD. However, Kansas City's premiere producer and rapper has found his voice in the industry and he's nearing the top of his game. Smith is taking his music to another level by kicking out tracks for an upcoming independent film "Halfway Home" written by Vin Morreale of VSM Productions. After placing two of his beats on "Breaking and Entering," a romantic comedy that was also written and directed by Morreale he was asked to contribute to his next project. Hobo Tone is on the move, look for his new CD on Chocolate Boi Entertainment which is set to drop in 2005. Discography and Projects "Incognito," "Holopoint," "Hobolavirus," Executive Producer: "Under Dogs of the Midwest." Also featured on "Murder Dog Presents, Project Kansas City," "Family Tree," "Arsenal," "Mocheese Magazine" Compilation, and the Techn9ne "Absolute Power 2003 Tour Sampler." Hobo has appeared on the cover and been featured several times in "Murder Dog," as well as, in the "Kansas City Globe," "The Pitch Weekly," and the "New Times."
