Reggaeton, baby. 10 MP3 Songs LATIN: Latin Rap, HIP HOP/RAP: Alternative Hip Hop Details: Available via iTunes or your favorite download service. Big Daddy G. decided to put together an album with 4 of his favorites Artists. The album includes old school, and cutting edge always ahead of its time new product. Big Daddy G. and The Karma Master started doing Reggaeton in 1986, and were literally 14 years ahead of themselves. At one point, they were the only ones in the Reggaeton Market. Neither gets credit for this! Big Daddy G's latest discovery is Luz y Jose. Luz is the award winning composer/performer from Colombia, and Jose is a cutting edge Panama Rapper who is in the U.S. Navy. How he decided to put them together, we are still trying to figure out.
