White boy rap that is funny at times and surprisingly good. If you haven't listened to Lucas Wayne, do so now. 13 MP3 Songs HIP HOP/RAP: Spiritual Rap, HIP HOP/RAP: White-Boy Rap Details: Lucas Waynes album Dialogue Of A Madman: Vol. I consists of upbeat hip hop songs ranging from chart-topper Jump Around (originally by House Of Pain) to the hilarious Squirrel Song. Lucas Wayne goes where few have gone before, mixing Christian undertones with listener-friendly rhymes and rhythms. This Central Ohioan sets out to impress no one with his sophomore CD, ignoring the friendly advice of peers. My friends think this album is too unconventional, too random. Well I say, if its predictability you want, look somewhere else. I suggest tuning your radio to one of the 900 zillion stations that play the same indistinguishable songs day in and day out. Dialogue Of A Madman: Vol. I represents a break in the monotony of popular culture. The songs range from painfully uncool to rock-solid, mixing elements of various genres into a strange new sound that will leave you begging for more. From top to bottom, this CD is worthy of multiple spins. So, fasten your seatbelt and prepare to take a break from normal. This one is a roller coaster.
