

Mp3 Mark Silverman - Medieval People

[DOWNLOAD HERE](#)

Sarcastic folk with a Celtic slant and a rocking-mock going on. 22 MP3 Songs FOLK: Modern Folk, SPOKEN WORD: Comedy Details: This is Mark Silverman's first CD. The genre ranges across folk, pop, rock, and a good dose of comedy. The songs cover a wide range of topics -- most are bitterly funny, some sharply political, and others will just tear your damn heart out. All of them are smart, catchy, and brutally honest.
