They recorded their second album, Some Things Change, on Music Row, in Nashville, TN., which was released in August of 2005. The group returned to Nashville in August of 2006 to record their third album, which is expected to be released in early 2007. All four band members are Illinois Quad City natives - Kevin, Matt, and Rob are all from Moline. Kameron is from Rock Island. Minus Six is a rock / pop orientated group that draws influences from many styles. They fill their concerts with a variety of originals and also use their unique style and contagious energy in performing hits from the present and the past. A Minus Six concert is an experience for young and old alike.
