

Mp3 Movin'melvin Brown - Let's Talk About Love

[DOWNLOAD HERE](#)

this is real flavored music, it rides between a flavoring of jazz, blues, country, pop, and roots, a unique voice as compared to Ray Charles, Sam Cooke, Otis Redding, Al Jaru etc. This is music for the soul. 12 MP3 Songs BLUES: Jazzy Blues, URBAN/R&B: R&B Pop Crossover Details: 'Movin' Melvin Brown, is a unique artist and anyone who has ever seen him tells you with a smile of the great feeling that comes across in his performance. He can translate the words of a song into something that you can feel. Melvin comes from the roots of do-wop and a 60's funk into the 90's and has had regional hits for four decades, to include recently on JazzFM in London. It's still believed that the music and the words must have meaning, and you get this right away, but you also get it that he is an artist who believes that there is still room for creativity and new thinking, so the old style is fused with the new, and with his music you get a kind of jazzy funk and blues feel, with some feel good lyrics. He has worked with the likes of Stevie Wonder, James Brown, the Isley Brothers, etc. He has an incredible range from low baritone to first tenor at times, you can often hear feelings of Ray Charles, Sam Cooke, Otis Redding, Bill Withers, and Al Jaru, but most uniquely Movin Melvin Brown.
