

Mp3 No. 2 - What Does Good Luck Bring?

[DOWNLOAD HERE](#)

Neil Gust (ex. Heatmiser co-front man along with Elliott Smith) brings us a guitar-driven rock 'n' roll attack that somehow retains melody and hooks, ensuring that not only will you want to rock out to this album, you'll be boogie-ing and singing too. 9 MP3 Songs ROCK: 90's Rock, POP: Power Pop Details: After the demise of Heatmiser, Elliott Smith continued with his solo career. Co-songwriter and co-front man Neil Gust, still very much into the power of a rock band, formed a new outfit, No. 2, with one-time Elliott Smith drummer Paul Pulvirenti and Jim Talstra (Minus 5, The Maroons) on bass vocals. The Northwest Supergroup then toured relentlessly, hitting the road with Elliott Smith, supporting him on his XO Tour. Following the Elliott Smith tour, No. 2 came back home, completed a few headlining Northwest tours, and then left for a national tour with Quasi. After the Quasi tour, No. 2 landed a West Coast tour with Sleater-Kinney and select dates with Stephen Malkmus The Jicks. With the release of their sophomore full-length, "What Does Good Luck Bring?", No. 2 plans to once again bring the show on the road. Tours are planned for the winter of 2002 and spring of 2003. No. 2's debut full-length, No Memory, which featured guest appearances by Elliott Smith and Quasi's Sam Coomes, found Gust delivering a timeless pop gem. With "What Does Good Luck Bring?" fans of No. 2 will get what they have come to expect from the band's live show, a loud, guitar-driven rock record, one that still maintains the hooks and melodic nature of Gust's songwriting, but isn't afraid to let it all go. And, a guest appearance by Quasi's Sam Coomes makes "What Does Good Luck Bring?" even more appealing to fans of No. 2 and Quasi. Look out, because "What Does Good Luck Bring?" will excite fans of No. 2, giving them everything they want and more. This is No. 2 at their best, rocking out and having a good time, while unleashing a monster melodic masterpiece. Key Selling Points: -Front man Neil Gust co-wrote and co-fronted Heatmiser along with Oscar-nominee Elliott Smith -Guest Appearance by Quasi's Sam Coomes -Appeals to fans of Elliott

Smith, Quasi, and Heatmiser -Tours planned for Winter 2002 and Spring 2003 -National press and radio campaign -P.O.P. and In-store play copies available upon request Label Contact: Alex Steininger @ In Music We Trust alex@inmusicwetrust/ inmusicwetrust.com
