Mp3 Otto Vector - Dv2.5

DOWNLOAD HERE

With their heavy beats, power-driven guitars, berserkish synths and slinky vocals, OttO Vector creates a blend of rock, funk, dance and electro that's half 1984, half 2006. 9 MP3 Songs ELECTRONIC: Industrial, POP: with Live-band Production Details: OttO Vector clawed their way out of Detroits barracks of aural analogousness by creating synth-pop that lies somewhere between The Fixx, The Pretenders, and a Nintendo game. With heavy beats, power-driven guitars, berserkish synth and slinky vocals, the group creates a blend of rock, funk, dance and electro thats half 1984, half 2004. After demand grew for OttO's 2004 sold-out debut album, Dv2.0, the band revisited the project. The result: dv2.5. This disc represents a remixed and remastered version of OttO Vector's first album, and includes several previously unreleased tracks.
