Rock en espaol with elements of merengue, salsa, and ska. Frenetic, energetic, eclectic and evocative. 13 MP3 Songs LATIN: Rock en Espanol, ROCK: Ska Details: Based in the New Orleans area, but with members from the Dominican Republic, the U.S., and Honduras, Palo Viejo has received critical acclaim for both their energy and originality. The first single Brinca is currently in the top ten in the Dominican Republic and the group is coming off their recent performances at the South by Southwest Music Conference. Its been a great year for us, explains vocalist Angelina de los Rosarios Lpez. Weve been on the road and working hard but its all been worth it. With influences from bands like Los Fabulosos Cadillacs, The Police, and Juan Luis Guerra, Palo Viejo creates an infectious fusion of ska with rock and merengue. We call it ska-rengue reveals Paul Vega, the groups guitarist. Palo Viejo has performed across the country from California, to Texas and New York in support of their independent release, Ests Aqu Ahora, recorded in the studio of Devon Kirkpatrick [Jennifer Lpez, Julio Iglesias]. In the course of their wanderings, they have shared the stage with the likes of international recording artists Los Abandoned, Gecko Turner, Circo, and Plastilina Mosh. Lamusicaselected Palo Viejo as one of the bands to watch in Latin Alternative and the Houston Press opines the band's sound [is] highly accessible, conjuring a female fronted Police or, perhaps, a Latino answer to Gwen". The group was voted one of the bands of the year by the listeners of Batangaand also featured in Boom Alterlatina Magazine. After seeing the bands New York performance, Boom editor Kike Posada wrote I lost my head. What force and energy!
