

## Mp3 Rebecca Loebe - The Brooklyn Series

Folk-rock minstrel Rebecca Loebe pulled over to reflect on heartbreak, down some red wine, fall asleep to the evening news and wake up to a handful of dark chocolate in the "peace and quiet" of Brooklyn. 6 MP3 Songs FOLK: Folk Pop, ROCK: Americana Details: Rebecca Loebe is best known for her energetic live performances. Her songbird voice carries the show while her buoyant personality captivates audiences and has them laughing, shouting and singing along. Fans of the Americana/folk tradition identify with her breezy storytelling while audiences of mainstream pop/rock sing along to her catchy, confessional original songs. In the past year she has performed 150 shows and shared the stage with Sophie B. Hawkins, Ellis Paul, Halcyon and classic rock legend America. It hasn't been too long since Rebecca was working as an engineer at a Boston recording studio, fresh out of college and quietly recording on her own folk/rock songs during off-hours. Encouraged by support and participation from 2-time Grammy award winner Robert Hadley (mastering engineer whose credits include Stevie Nicks, Carly Simon and The Dixie Chicks), Rebecca released this collection of material as her full-length debut solo album, *Hey, it's a Lonely World*. The debut album quickly got the attention of critics and music fans in the northeast (Mary Hamilton of the *Northeast Performer* hailed her vocal delivery as "part inside joke and part prayer"), and Rebecca began calling out shifts at the studio to keep up with her rapidly-increasing tour schedule. Fresh off a whirlwind college tour in the spring of 2007, Rebecca is gearing up to release her second album, an EP entitled *The Brooklyn Series*. This 6-song EP has its origins in a month-long break from touring Rebecca spent in New York last spring. During this respite she divided her time between song-writing in a rented room in the notorious Bed-Sty neighborhood of Brooklyn and seeking inspiration in the city at large. The new body of work was road-tested at various open mics and songwriter circles around New York City and integrated into her live set during her summer New England, Southeast

and West Coast tours. Recorded at the very end of 2006 and the beginning of 2007 with Atlanta producer Will Robertson (Blake Guthrie, Arlington Priest), The Brooklyn Series is a reflection of Rebecca's growth as a songwriter and a young woman as she takes a darker and more humorous look at the world around her. Best enjoyed with dark chocolate and red wine. For a complete tour calendar, journal, pictures, music and more, visit [rebeccaloebe.com](http://rebeccaloebe.com). Coming to a live show?
