It's taken about 3 years to complete. And I'm proud, not just of the outcome, but also of the experience I've gained through it all! Now, as for me personally, I'm an artist trying to make it, while working a regular 9-5, and dealing with my average day life. I feel I can relate to most people. Because I've lived just about every lifestyle. I have a certain ability to remember the emotions of certain events and put them on paper. The bottom line is, I'm just a young man with a dream, and the determination to pursue it! I think you'll find that there's something for everyone in my music. I've put every penny I have into it, and if you choose to support me, then you'll see it's been worth it!
