Small children will love to sing these gospel songs. Comes with all of the accompaniment tracks. 30 MP3 Songs KIDS/FAMILY: General Children's Music, GOSPEL: Contemporary Gospel Details: Shep Eppinger has often said that children's gospel music is the most neglected genre on radio. Children must be reached at a very early age to influence their lives. Well, action speaks louder than words. So here is a part of his collection of gospel songs for kids to help people nurture the wonderful talents of our little ones. We need more positive sounds going in our children's ears, and this will help.
