All girl acoustic Celtic folk music with lush harmonies and lyrics of nature and the sea. 15 MP3 Songs
FOLK: Folk Pop, WORLD: Celtic Details: Sirens' Song is a four member all girl band, and offers a distinctive sound with complex harmonies and acoustical instruments. Band members influences include Loreena McKennet, Sting, Keats and Byron! The style of Sirens' Song is very difficult to describe, but the band has been characterized as pop/folk/celtic-rock with poetic lyrics and singable melodies. The feel of Starlight and Shadow is moody and lush. All of the songs are introspective, although the tone never depresses. Each song has a background story, and each expects the listener to be attentive and intelligent. Sirens' Song specializes in contemporary sounds with traditional sounding lyrics. They are truly "renaissance" woman. Starlight and Shadow was released in May of 2004. Stay tuned to more reviews by webzines and professional music reviewers.
